MAKE SAULT STE. MARIE YOUR VACATION HEADQUARTERS AND SPEND 6 GREAT DAYS IN THE U.P.

**DAY 1**
Roughly 10,000 ships traverse the Soo Locks annually, providing passage for vessels and a maritime performance for all who visit. Experience the Locks aboard a two-hour Soo Locks Boat Tour or view majestic freighters from observation decks within the adjoining park. The 155-year history of the Locks is on display at the Soo Locks Visitors Center. The Museum Ship Valley Camp, a retired freighter, brings shipboard life into focus, with more than 100 displays of maritime significance, including lifeboats from the S.S. Edmund Fitzgerald. The 220-foot Tower of History delivers stunning panoramas of the city, the St. Marys River, and neighboring Canada.

**DAY 2**
Start at the River of History Museum and be transported back in time via 11 interactive galleries featuring Native American life, the influence of French fur traders, military history at Fort Brady, and more. Take a walking tour of the Water Street Historic Block, filled with exhibits, original buildings, and performances. Then head to Kewadin Casino for a roll of the dice, a spin of the wheel, and all the gaming and entertainment excitement you crave.

**DAY 3**
A scenic drive to Point Iroquois Lighthouse is surpassed only by the view from the deactivated light’s tower. Stroll a stunning boardwalk and explore the keeper’s quarters at this facility listed on the National Register of Historic Places. Keep the lighthouse theme alive and stop next at the Whitefish Point Lighthouse and Great Lakes Shipwreck Museum. Artifacts and exhibits are housed alongside the breathtaking shipwreck coast of Lake Superior, where the S.S. Edmund Fitzgerald lies in her watery grave nearby.

Discover nearby Mackinac Island, Tahquamenon Falls, Whitefish Point, and the Canadian Shield.
Take a paved trail to stunning waterfalls, or hike a rustic trail at the river’s edge – it’s all possible at Tahquamenon Falls State Park. You can row a boat to an island that reveals a series of hidden falls or observe the power of a 50-foot plunge at the Upper Falls. When a break is in order, visit a brew pub, gift shop, or simply sit beside a massive outdoor fireplace.

Be transported back in time on Mackinac Island, where a pedestrian ferry delivers you to the land of horse-drawn carriages, afternoon tea, tandem bicycles, and a Victorian village surrounded by Lake Huron. Stroll the paved, eight-mile path around the island’s perimeter on foot or tour the 14 original buildings and grounds that make up Fort Mackinac, a sentinel that stood guard during the American Revolution.

Travel north to Sault Ste. Marie, Ontario and hop on the Agawa Canyon Tour Train. Settle into a comfy seat and enjoy the stunning scenery that passes your window as you travel 114 miles north past pristine lakes, awesome rock formations, and mixed forests. Thoroughly relaxing, unimaginably beautiful – it is a ride you won’t soon forget.
